## Greater Care In Growing Makes "M-N" Liners the Finest

Cuttings or seeds from select parent stock—specially prepared, sterile soil—formulized feeding—correct watering and proper pruning . . . all are important factors in the production of "M-N" Liners. Add to these, continual laboratory research and long years of experience and you can understand why Monrovia Nursery Liners outsell all others in the country today. "M-N" Liners are always priced to assure you **big future profits** which you will begin to receive in less than a year. Don't wait! Place your order today, from this long list of select stock.

This **May catalog supplement** lists plant material available for growing on—in flats, 2¼" and 3" pots. However, please keep in mind that we do have a large selection of excellent stock available in **one and five-gallon containers**. Please check with our salesman, write us, or 'phone us.

## **Bignonia Cherere**

(Phaebranthus  
Buccinatorius)

# **Scarlet Trumpet Vine**

"Beauty at its Best" might well be used in describing this very popular evergreen vine. The best large leaf cuttings are always selected for propagation. This vine gives a heavy verdant cover and bears large clusters of hugh trumpets four to five inches in length.

Due to their size and striking color combination of bright red and yellow these flowers are outstanding in any setting.

The plants available now are five to six feet in height and very full. Prepare for the heavy demand. Order now . . . don't delay.

**In 5 Gal. Containers**  
**Each \$1.85**

**DELIVERY** Free delivery in the Los Angeles Metropolitan area, San Bernardino, Riverside, San Diego and Santa Barbara. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

**NON-WARRANTY** The Monrovia Nursery Company will exercise care to have all plants true to name. Nevertheless, it is understood that should any plant prove otherwise, we shall not be liable for any sum greater than that paid for such plants as may prove untrue. If the purchaser does not accept the goods on these terms, they are to be returned at once.

**TERMS** While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

**WELCOME TO OUR NURSERY** Telephone or just drop us a note and we will meet you at the terminal and be pleased to assist you in obtaining accommodations. We want you to visit us.

**PLEASE REMEMBER** We deeply appreciate your patronage, and shall endeavor to always say "thank you" by the careful manner in which we will service your every order . . . large or small.
